DESIGN & BUILD

Integrated Design & Build solutions
delivering quality, innovation,
and execution excellence

Our Notion Design & Build

The ambition of leadership and the passion for excellence make us always strive to be the best in the size and quality of our investments, armed with the constant development of our performance in keeping with our ambitions and diversification of our products in line with the wishes of our customers.

This eventually pushes us to strengthen our competitiveness in all the activities we operate in, being one of the leading contracting and construction companies in Saudi Arabia. Partners and clients see us as an integral part of their success process.

Experience

Nine Million has long-term experience in the construction industry and has made successful progress since its establishment, serving its clients with high implementation quality as a priority standard, alongside client and customer satisfaction.

Our Vision

To be a leading design and build company recognized for excellence, innovation, and sustainable growth in Saudi Arabia.

About Us

Nine Million is more than just a company; we are a partner in progress, committed to driving positive change and making a meaningful impact on the communities and industries we serve. We aim to reiterate our unwavering dedication to excellence, innovation, and sustainability.
